## 1. Request

- 1.1 You may make a Live Request by telephone, videophone, textphone, fax, email or SMS (text messaging) at any time. An Online Request may be made via our internet website up to 5 working days prior to the event.
- 1.2 Once received, a Request is checked, prioritised and added to our database.
- 1.3 When required, provision is subject to the following prioritisation:

Priority	Definition	Domain
Priority 1:	Life critical events, assignments with a statutory deadline or emergency situations.	Police/Legal Health Social Services
Priority 2:	Important events where a client would be significantly disadvantaged should no access be provided.	Employment Politics Education Municipal Services
Priority 3:	An event where it would be desirable for access to be provided.	Arts & Culture Entertainment Community Events Social

- 1.4 We adhere to codes of practice issued by professional associations and operate defined Policy which dictates accepted working practices. This specifies the number of Providers and the level of qualification required for a given assignment.
- 1.5 When a Request is received it will be acknowledged. If a Request is made, but no acknowledgement is received, the Referrer should contact the Call Centre.
- 1.6 The Referrer is the sole authorised contact in relation to a Request and any subsequent assignment. They will be issued a Username and Password to access details held by the Call Centre.
- 1.7 Any known or possible health & safety or security issues should be disclosed when requesting a service or immediately on discovery.

## 2. Search

- 2.1 All Requests are subject to the same administration process and the search for a suitable provider is conducted with equal intensity.
- 2.2 We work tirelessly to cover all Requests, but given demand exceeds supply, unmet need occurs.

## 3. Process

- 3.1 A Co-ordinator will contact the Referrer when a suitable Provider(s) is identified. If you would like a progress report, please contact the Call Centre.
- 3.2 If you have specified a Search Deadline, a Co-ordinator will contact you by 5pm on this date and issue a final progress report.
- 3.3 Due to the system employed to manage assignments, we can provide accurate reporting at any given point. However, as demand and supply are fluid, any progress report given via the Co-ordinator is subject to change and cannot be held as binding until a Confirmation Letter is issued.
- 3.4 When an appropriate Provider is identified, they will be provisionally booked.
- 3.5 A Co-ordinator will contact the Referrer to confirm the booking. Should the Referrer not confirm the booking within 24 hours, we reserve the right to cancel the provisional booking.
- 3.6 In the event that the Referrer requires the service, but the Provider is no longer available, the search will recommence.

## 4. Confirmation

- 4.1 Once the service provision is agreed, we will issue a Confirmation Letter which states where and when the event will take place, who the Referrer, Funder and Clients are and who will be providing the service.
- 4.2 The Confirmation Letter forms part of the Contract and the details should be checked on receipt. Any amendment, addition, error or omission should be reported to the Call Centre immediately.
- 4.3 If an address for the client is given, a Confirmation Letter will be issued to them.
- 4.4 If a Confirmation for a service has been issued, but despite due care and diligence we fail to provide that service, we do not accept any liability.
- 4.5 Every effort is made to ensure a Provider in the locality of the assignment. If this is not possible, the nearest available Provider will be identified.
- 4.6 The Contract of which these Terms and Conditions form part, governs the provision of the service. If the Contract is not received by the designated Funder, the Referrer should contact the Call Centre.
- 4.7 A Contract is issued in good faith and should be signed and returned by the Funder. Should a contract not be returned, but the service is accepted as per the Confirmation Letter, by default the Funder is bound by these terms.

## 5. Preparation

- 5.1 Additional information regarding the assignment should be sent to the Call Centre. Please include the Assignment ID number which is included on the Confirmation.

- 5.2 The need for preparation is prioritised on a scale of 1 to 3 and by default is related to a subject or domain:

Scale 1: Essential  
Scale 2: Important  
Scale 3: Useful

- 5.3 Where preparation is deemed Essential, a service can only be provided should information be received. Failure to provide information in such cases could result in the cancellation of the assignment and could incur charges.

## 6. Professional Development

- 6.1 Permission will be sought to conduct professional development. This includes a student shadowing a Provider, a mentor assessor observing a Provider, live or visual evidence collection for the purpose of assessment or direct assessment.

Any material will be used solely for the purpose of professional development and assessment. Further permission will be sought should the material be required for other uses.
- ### 7. Assignment
- 7.1 The Provider(s) will attend the event as specified in the Assignment Confirmation. Whilst we will endeavor to facilitate a request to change the time, duration or location of the assignment, this may not be possible and we are not obliged to do so.
  - 7.2 The service will be provided in a manner in which the Client(s) and/or Referrer(s) require, given this does not contravene the standards of Just Communication Ltd, civil or criminal laws of the United Kingdom or the professional ethics, health & safety or human rights of the provider.
  - 7.3 When providing a service a Provider is empowered, after consultation with all parties, to make decisions relating to an assignment in respect of their professional ethics, health & safety, human rights or any perceived contravention of civil or criminal law.
  - 7.4 Just Communication Ltd adheres to the Code of Conduct / Practice Guidance issued by:

  - 7.6 Should a Provider be forced to withdraw from an assignment for legitimate reasons, Just Communication Ltd accepts no liability and cancellation fees may apply.
  - 7.7 The Funder is the contracted party (which may or may not be the same as either the Referrer or Client). They are required to ensure that the Contract terms, including these Terms and Conditions are adhered to.
  - 7.8 The Funder is required to ensure that the assignment venue holds Public Liability Insurance, conducts regular health and safety audits and takes measures to remove or reduce risk.
  - 7.9 On arrival, should it be found that an assignment requires more than one Provider or where Just Communication Ltd is providing part of the required service and the other Provider fails to attend, the Provider may withdraw from the assignment which may incur Cancellation Fees or a Single Working Fee may be charged.
  - 7.10 Should a Provider be unable to attend an assignment, they are required to contact the Call Centre as soon as possible. A Co-ordinator will contact the Referrer and then begin a search for a replacement. If we are unable to provide a replacement Provider, we will offer the next available appointment.
